# ANNOUNCEMENT

It is with great satisfaction that the members of the Marshall County (Iowa) Shorthorn Breeders Association announce their forthcoming 95th Auction Sale.

For over a hundred years the rich pastures and fertile fields of Central Iowa have produced prime beef, the most nourishing and substantial article of diet that has yet been available to mankind.

Partisans of various breeds of cattle may make extravagant claims for their favorites, but the truth is that NO beef animal is superior to a good Shorthorn.

Prime beefs still are the highest selling animals in the stockyards, and seem destined to remain in that position. The only known way to produce top selling steers is through the use of good bulls, such as are selling in this sale.

We claim without fear of successful contradiction that the Marshall County Shorthorn Breeders Association is the oldest beef brand Association in America selling cattle over the auction block every year, in boom times or bad, during war or peace.

Try to be here EARLY. Things will move promptly at 7:00 P. M.

An outstanding group of Polled and Horned Shorthorn cattle will be offered in this sale. The bulls are a fine selection of all ages from 15 months to an aged bull. These bulls are the thick, rugged, good doing kind that are in demand today. Shorthorn are ideal for crossing as they will give you that added weight at weaning time and faster gain in the feed lot. Your next herd bull can be found in this offering. There are several well-bred cows close to calving by sale night, as well as some choice bred and open heifers. The cattle picture is looking much brighter now, so here is a good place and time to get a small herd started or perhaps add one or two to your present herd.

These cattle come from a wide area and from reliable sources that have established themselves in the Shorthorn business. Study the bloodlines represented in this sale and I'm sure you will agree that these breeders have followed a constructive program of producing the kind of cattle to meet today's needs.

We sincerely hope that you will be in attendance at this sale, and enjoy the fellowship of being with people who have a common interest in beef cattle in general, and Shorthorns in particular. Every effort will be made to make this an enjoyable evening for all of you, so come early. There will be lunch available at the sale. Let me know if I can help you in any way. Thank you.

# TERMS & CONDITIONS OF SALE

**Location**—The sale will be held in the newly constructed fairgrounds on the south-east edge of Marshalltown. It will be Monday, June 1, 1970, at 7:00 P. M. Intersecting highways make Marshalltown easy of access from all parts of Iowa and adjoining states. Marshalltown is slightly over 300 miles west of Chicago, some 200 east of Omaha and about 300 from Kansas City.

**Terms**—Cash settlement to be made with Clerk of the Sale immediately at the conclusion of the auction. All animals will be at buyers' risk as soon as bid off, but will be cared for and loaded on trucks in compliance from purchaser. Care will be taken to avoid accidents, but we will not be responsible if any should occur.

**Guarantee**—Standard Guarantee recommended by the American Shorthorn Association may be found elsewhere in this catalog.

# STANDARD GUARANTEE

Recommended by the American Shorthorn Association

A. Proper care must be given by purchaser to protect breeding qualities and health of guaranteed animals.

B. All bulls are guaranteed breeders, provided they are not allowed to serve when under 14 months of age, or allowed to run with the herd when under 20 months of age. In case of failure of a bull to be a breeder, notice shall be given to the seller within six months of date of purchase, or by the time the bull is 20 months of age, if purchased under 14 months of age.

C. With the exception of heifers sold under 14 months of age, all females are guaranteed breeders. Heifers under two years of age shall not be served by a heavy or old bull. Cows or heifers sold as bred, or safe in calf, not proving to be in calf must be reported to the seller within three months after date of sale. Females over 14 months of age sold open, not settling within six months after date of sale, shall be promptly reported to the seller.

D. When an animal fails to comply with the above guarantee the seller has the option of substituting an animal of equal value to the satisfaction of the purchaser, or of having the animal returned for a trial for a period not to exceed six months. The expense of a freight in such case is to be paid by the seller. If the animal is then proved to be a breeder beyond doubt it shall be returned to the purchaser at his expense. In case of dispute the return of the full purchase price, without interest, to the buyer will be considered full settlement and satisfaction to all claims. No charge for feed or maintenance shall be made by either buyer or seller. Salvage shall go to the seller. It shall be understood that the same guarantee given for the first animal shall likewise apply to any animal later substituted.

E. In the event an animal is returned by the buyer to the seller as a non-breeder the buyer must furnish to the seller a veterinarian's certificate showing that his herd is healthy if such a certificate is required by the seller.

F. All animals catalogued have been tested for T. B. and are clean, and have also passed a test for Brucellosis thirty days prior to the sale, or are accompanied by a Bangs Vaccination Certificate. Announcements will be made covering animals not clear from vaccination.

G. Certificates of registry and transfer will be furnished with each animal sold. A signed pedigree application for unborn calves should be furnished with bred females showing names and record numbers of sire and dam, as well as service date.

H. All prospective buyers should check health requirements of their states. Health certificates will be provided with each lot sold.

**P F Milestone**—A real opportunity to buy a proven herd sire. A big, rugged bull with lots of length and bone. Milestone carries a well muscled quarter plus all the style and Shorthorn character any breeder could want. His sire, P F Nugget, was Iowa State Fair Champion in 1965 and Iowa Royal Champion in 1966. We hesitate to sell Milestone, but we have several of his heifers in our herd, thus forcing us to change herd bulls.
